

Thomas E. Klootwyk, MD

Speaking Engagements:

Long Term Follow-up of the Murray/Shaw Variable Axis Total Knee Prosthesis. 59th Annual Meeting, American Academy of Orthopaedic Surgeons, Washington, D.C., February 1992

Comparison of Short and Long Term KT-1000 Results in Patients with Autogenous Patellar Tendon ACL Reconstructions and Accelerated Rehabilitation Program. Annual Meeting of The American Orthopaedic Society for Sports Medicine, Sun Valley, Idaho, July 15, 1993.

Anterior Cruciate Ligament Reconstruction Rehabilitation. 62nd Annual Meeting, American Academy of Orthopaedic Surgeons, Orlando, Florida, February 21, 1995.

The Ligament Injured Knee: Evaluation, Treatment, and Rehabilitation in the 1990s. Annual Meeting, Mid-America Orthopaedic Association, Palm Beach, Florida, April 19, 1995.

Rehabilitation of the Anterior Cruciate Ligament. 21st Annual Meeting, American Orthopaedic Society for Sports Medicine, Toronto, Canada, July 18, 1995.

Anterior Cruciate Ligament Reconstruction Rehabilitation. 63rd Annual Meeting, American Academy of Orthopaedic Surgeons Atlanta, Georgia, February 23, 1996.

Anterior Cruciate Ligament Reconstruction Rehabilitation. Orthopaedic Rehabilitation Association Specialty Day, 63rd Annual American Academy of Orthopaedic Surgeons Meeting, Atlanta, Georgia, February 25, 1996.

Anterior Cruciate Ligament Reconstruction Rehabilitation. 64th Annual Meeting, American Academy of Orthopaedic Surgeons, San Francisco, California, February 15, 1997.

Radiographic and Intraoperative Intercondylar Notch Width Measurements in Patients with Unilateral and Bilateral ACL Tears. 64th Annual Meeting, American Academy of Orthopaedic Surgeons, San Francisco, California, February 17, 1997.

Rehabilitation of the Anterior Cruciate Ligament. 23rd Annual Meeting, American Orthopaedic Society for Sports Medicine, Sun Valley, Idaho, June 23, 1997.

ACL and Lateral Side Injuries; Intraarticular Infection After ACL Reconstruction;

Rehabilitation After Anterior Cruciate Ligament Reconstruction. The Droitwich Ligament Instability Symposium, Droitwich, Worcestershire, England, November 22, 1997.

Anterior Cruciate Ligament Reconstruction Rehabilitation. 65th Annual Meeting, American Academy of Orthopaedic Surgeons, New Orleans, Louisiana, February 19, 1998.

Surgical Management of Anterior Cruciate Ligament and Combined Ligament Injuries; Surgical Update for Meniscal Pathology; Surgical Considerations of Patellofemoral Disorders. American Physical Therapy Association's Physical Therapy '98 Orlando, Florida, June 4, 1998.

Classification System for Defining Surgical Conditions of the Patellofemoral Joint. AOSSM/ SPTS Pre-Conference Course, Vancouver, British Columbia, July 11, 1998.

Rehabilitation of the Anterior Cruciate Ligament. AOSSM 24th Annual Meeting Vancouver, British Columbia, July 13, 1998.

Treatment of the Multiple Ligament Injured Knee. 66th Annual Meeting, American Academy of Orthopaedic Surgeons, Anaheim, California, February 4, 1999.

Treatment of the Multiple Ligament Injured Knee. 68th Annual Meeting, American Academy of Orthopaedic Surgeons, San Francisco, California, March 4, 2001.

Treatment of the Multiple Ligament Injured Knee. 69th Annual Meeting, American Academy of Orthopaedic Surgeons, Dallas, TX, February 13 – 17, 2002.

Differential Diagnoses of Knee Injuries. Annual meeting, National Athletic Trainers Association, Indianapolis, IN, June 13, 2005.

Long Term Follow-up of the Murray/Shaw Variable Axis Total Knee Prosthesis, AAOS 59th Annual Meeting, Washington, D.C., February 1992.

Fat Embolism Syndrome. Orthopedic Grand Rounds, Syracuse, NY, December 1987.

Ankle Sprains: Evaluation, Treatment and Rehabilitation. Grand Rounds, Syracuse, NY, June 1988.

Monteggia Fractures. Orthopedic Grand Rounds, Syracuse, NY, October 1988.

Osteonecrosis of the Knee. Orthopedic Grand Rounds, Syracuse, NY, March 1989.

Shoulder Instability: Two Part Presentation. Orthopedic Grand Rounds, Syracuse, NY July 1989.

ACL Rehabilitation. Orthopedic Grand Rounds, Syracuse, NY, October 1989.

Achilles Tendon Repair. Sports Medicine Conference, Syracuse, NY, November 1989.

Posterolateral Instability. Orthopedic Grand Rounds, Syracuse, NY, February 1990.

Simple Bone Cyst. Orthopedic Grand Rounds, Syracuse, NY, June 1990.

Outpatient ACL Reconstruction. Alumni Day, Syracuse, NY, June 1990.

MRI Evaluation of the Knee. Orthopedic Grand Rounds, Syracuse, NY, February 1991.

Ankle Sprains. Methodist Sports Medicine Center Grand Rounds, Indianapolis, IN, September 1991.

Fracture Evaluation in the Lower Extremity. Purdue University, West Lafayette, IN, December 1991.

Stress Fractures. Methodist Sports Medicine Grand Rounds, Indianapolis, IN, March 1992.

Foot and Ankle Problems in the Athlete. Purdue University, West Lafayette, IN, March 1992.

The Role of a Sports Medicine Clinic. Speedway Lions Club, Speedway, IN, March 1992.

Examination of the Injured Knee. Johnson Memorial Hospital, Franklin, IN, April 1992.

ACL Reconstruction and Rehabilitation. Union Hospital, Terre Haute, IN, April 1992.

Exam of the Athlete's Knee. Methodist Hospital Pediatrics Conference, Indianapolis, IN, June 1992

Head and Neck Sideline Evaluation. Manchester College, North Manchester, IN, July 1992.

A Comparison of AP Versus Flexed PA Radiographs for Evaluation of Degenerative Knees; An Evaluation of Knee Stability in Patients Having Intraarticular ACL Reconstruction Using Bone-Patellar Tendon-Bone Autograft and Accelerated Rehabilitation With Two Year Follow-up; Locked Bucket Handle Lateral Meniscal Tears. Methodist Sports Medicine Grand Rounds, Indianapolis, IN, August 1992.

The Shoulder, Knee, and Ankle Exams. IU Medical Center Senior Student Lecture Series, Indianapolis, IN, August 1992.

The Role of a Sports Medicine Clinic & Common Injuries. Clay Co Hospital, Brazil, IN, Sept 1992.

The Role of a Sports Medicine Clinic & Common Injuries. Mercy Hospital, Elwood, IN, Sept 1992.

The Knee Exam, Indiana State University Student Trainers. Terre Haute, IN, October 1992.

Diagnosing and Treating Shoulder Injuries. American Trainers Association of Southwest Indiana Vincennes University, Vincennes, IN October 1992.

How to Avoid the Common Injuries of the "Weekend Warrior." Zionsville Medical Center, Zionsville, IN, November 1992.

Standard Standing AP Radiographs Versus Flexed PA Radiographs to Evaluate the Knee for Degenerative Arthritis. Garceau-Wray Lectures, The Riley Orthopaedic Alumni Association, Wishard Memorial Hospital, Indianapolis, IN, November 1992.

Anterior Cruciate Ligament Tears. Indiana College Athletic Conference Anderson University Student Athletic Trainer Workshop, Anderson, IN, January 16, 1993.

Achilles Tendon Ruptures. Methodist Sports Medicine Grand Rounds, Indianapolis, IN, January 18, 1993.

Diagnostic Musculoskeletal Radiology. Indiana State University, Terre Haute, IN, March 4, 1993.

Osgood-Schlatter Disease. Indiana State University, Terre Haute, IN, April 8, 1993.

Two to Five Year Follow-Up of Knee Stability After ACL Reconstruction Using Autogenous Central Patellar Tendon Graft and Accelerated Rehabilitation. SUNY Health Science Center, Dept of Orthopedic Surgery 13th Annual Alumni Day, Syracuse, NY, June 18, 1993.

On the Field Evaluation. Indiana State University, Terre Haute, IN, August 18, 1993.

The Role of a Sports Medicine Clinic. Cass County Medical Society, Logansport, IN, September 13, 1993.

The Role of a Sports Medicine Clinic. Dukes Memorial Hospital, Peru, IN, September 14, 1993.

Surgical Techniques of the Knee. DePauw University, Greencastle, IN, October 5, 1993.

Treatment of the ACL Deficient Knee. Evansville Family Practice Sports Medicine Society, Haubstadt, IN, October 26, 1993.

The Role of a Sports Medicine Clinic. Union Hospital Family Practice and Primary Care Residents, Terre Haute, IN, April 28, 1994.

Sports Related Injuries of the Lower Extremities. IU School of Med, Indianapolis, IN, May 17, 1994.

Anterior Cruciate Ligament Reconstructions. Union Hospital, Terre Haute, IN, June 14, 1994.

The Weekend Warrior, Methodist Hospital Beacon Society, Meridian Street United Methodist Church, Indianapolis, IN, September 29, 1994.

Evaluation of Athletic Injuries. Warren Central High School, Indianapolis, IN, October 6, 1994.

Mechanism of Anterior Cruciate Ligament Reconstructions, Southwest Chapter of Indiana American Physical Therapy Association, Vincennes University, Vincennes, IN, October 18, 1994.

Diagnostic Musculoskeletal Radiology. Indiana State University, Terre Haute, IN, February 25, 1995.

Brace Use After ACL Reconstruction. SUNY Health Science Center, Department of Orthopedic Surgery 15th Annual Alumni Day, Syracuse, NY, May 19, 1995.

Rehabilitation After ACL Reconstruction. University of Evansville, Department of Physical Therapy, Evansville, IN, November 13, 1995.

Physical Examination of the Knee. Manchester College, North Manchester, IN, February 20, 1996.

Acute Management of Athletic Injuries. Miami County Coaches Assoc, Peru, IN, July 30, 1996.

Results of Elmslie-Trillat Procedure for Chronic Patellar Subluxation and Patellofemoral Syndrome. 21st Annual Garceau-Wray Orthopaedic Lectures, Indiana University School of Medicine, Indianapolis, IN, November 8, 1996.

Acute Knee Problems. Methodist Hospital Emergency Department Grand Rounds, Indianapolis IN, January 24, 1997.

Common Musculotendinous Injuries. Metropolitan Interscholastic Conference Student Trainer Seminar, Warren Central High School, Indianapolis, IN, February 13, 1997.

Surgical Management of Extensor Mechanism Dysfunction. Sports Physical Therapy Section, Clinical Competencies and Workshop Conference, Indianapolis, IN, April 26, 1997.

Intraarticular Infection After ACL Reconstruction. SUNY Health Science Center Department of Orthopedic Surgery 17th Annual Alumni Day, Syracuse, NY, May 31, 1997.

Injuries of the Knee. Class Lecture, ISU Athletic Training Department, Terre Haute, IN, September 30, 1997.

ACL Reconstruction in Patients Greater Than 40 Years Old. 23rd Annual Garceau-Wray Orthopaedic Lectures, Indiana University School of Medicine, Indianapolis, IN, October 9, 1998.

Treating Patients as "Industrial Athletes." Methodist Occupational Health Center Lecture, Embassy Suites North, Indianapolis, IN, April 9, 1999.

Patellofemoral Syndrome Treatment Overview. The Brady Society Educational Symposium, Methodist Sports Medicine Center, Indianapolis IN, April 23, 1999.

Case Report of OATS Procedure and Results, The Brady Society Educational Symposium, Methodist Sports Medicine Center, Indianapolis IN, April 24, 1999.

Treating Patients as "Industrial Athletes." Methodist Occupational Health Center Lecture, Embassy Suites North, Indianapolis, IN, May 14, 1999.

Knees: Inside and Out, Central Indiana Society of Occupational Medicine, Westin Hotel, Indianapolis, IN, May 25, 1999.

Acute Knee Injuries, Update in Orthopaedics and Sports Medicine. Indiana University School of Medicine, National Institute for Fitness and Sport, Indpls, IN, July 23, 1999.

Degenerative Knee Disease, Update in Orthopaedics and Sports Medicine. Indiana University School of Medicine, National Institute for Fitness and Sport, Indpls, IN, July 23, 1999.

The Treatment of Meniscal Tears in the ACL Deficient Knee. AAOS Contemporary Issues in Orthopaedic Surgery, Orthopaedic Physician Assistants Course, Indpls, IN, August 19, 1999.

Sports Medicine Team Function and Role Delineation. University of Indianapolis, Krannert School of Physical Therapy, Indianapolis, IN, February 24, 2000.

Cartilage Transplant 2000, Methodist Sports Medicine Center, "Care for the Athlete in Everyone" Conference, NCAA Hall of Champions, Indianapolis, IN, August 20, 2000.

Common Knee Problems in the Industrial Athlete. Travelers Insurance Company (in conjunction with Methodist Occupational Health Centers), Indianapolis, IN, January 19, 2001.

Common Knee Problems in the Industrial Athlete. Cigna Insurance Company (in conjunction with Methodist Occupational Health Centers), Indianapolis, IN, April 13, 2001.

Diagnosing ACL Injuries. Manchester College, Athletic Training Class, North Manchester, IN, May 8, 2001.

Mechanisms and Theories of ACL Tears, Knee Injuries and Proposed Prevention for Female Athletes/ ACL Injury Symposium. Five Seasons Country Club, Indianapolis, IN, July 19, 2001.

Knee Injuries and Proposed Prevention for Female Athletes. ICGSA, Indianapolis, IN, February 3, 2002.

ACL Prevention. Indiana Orthopaedic Society, Indianapolis, IN, May 9, 2003.

Graft Choices for ACL Reconstruction. Methodist Sports Medicine Grand Rounds, Indianapolis, IN, April 22, 2004.

Graft Choices for ACL Reconstruction. Indiana Orthopaedic Society, Annual Scientific Conference, Ft. Wayne, IN, April 24, 2004.

Valgus Knee Bracing and Meniscal Repair. Methodist Sports Medicine Grand Rounds, Indianapolis, IN, March 21, 2005.

PCL Injury. Indiana University School of Medicine Grand Rounds, Indianapolis, IN, March 8, 2006.

Two to Eight Year Clinical and Radiographic Outcomes after ACL Reconstruction: The Influence of Osseous Contusions, Meniscal, and Chondral Pathology. Hapuna Beach, Hawaii, March 30, 2006
