

Planned Giving

Thank you for your interest in the Methodist Sports Medicine Research and Education Foundation. Planned gifts provide the resources that create extraordinary opportunities and ensure the future research and educational efforts of the foundation.

The Legacy Society is a group of friends and supporters that have made planned gifts commitment supporting the Methodist Sports Medicine Research and Education Foundation. Anyone who has included the foundation in their will, trust or other deferred giving arrangement is eligible for the Legacy Society. We invite you to let us know when you include us in your plans so we can welcome you to the Legacy Society.
